PEACEMAKERS

Our Goal: 1,000 Relief Kits /
2,600 Peace Cards

Collection Day: March 3, 2019

Making Relief Kits allows us to partner with Mennonite Central Committee to promote peace and reconciliation globally. When you assemble a kit, you provide individuals and families with essential items that are otherwise inaccessible in areas affected by conflict or disaster. The Relief Kits we make this year will be distributed to those affected by the violence in Syria.
